Understand this is not a guarantee we can provide the exact time or day preferred. Please allow seven business days for an instructor to contact you. If there are no instructors available at your preferred time you will be notified, then placed on our waiting list. This form will be processed based on the order it was submitted. Please list any additional comments, disabilities and/or abilities of the participant to better help us place you with the appropriate instructor. The Aquatics Office will need no less than seven business days notice prior to the start of lessons.

Please read and sign the back of this form before submitting to Aquatics Office

Private & Semi-Private Swim Lesson Policies

Dear Private Swim Lessons,

Thank you for your interest in private swim lessons. Please take a moment to read over this important information regarding your swim lessons.

- New lessons will purchase the first pack of lessons on the first day of your lesson. Please arrive a few minutes early and stop by the front desk to purchase your lessons. Lessons may not be purchased until the first day of the lesson.
- Receipts for continuing lessons must be presented to the instructor on the last day of your current pack to ensure your time slot remains secure.
- Please be on time to your lessons. Instructors may have multiple lessons and will not be able to accommodate any tardiness.
- Cancellations that are not made at least **3 hours** in advance will be charged for that lesson. Please call your instructor directly at the phone number given when lessons were set up. Messages left at the Family Centers may not reach the instructor.
- If a lesson misses the last lesson of a pack without calling to cancel, it will count as the last lesson.
- If a lesson has missed the last two lessons of a pack without calling to cancel, the lesson will be terminated. Lessons will then need to reapply for lessons if they are interested in continuing.
- Make-up lessons are not available. If you miss a lesson at your regularly scheduled time you may not make up the lesson at another time during the week. Your lessons will continue the following week as scheduled and the missed lesson will be added to the end of your pack.
- If a lesson does not purchase a new lesson pack on the last day of the current pack, the time slot will be opened up for other lessons to be scheduled. The receipt needs to be presented to the instructor to continue securing your time and day.
- There is not a guarantee we can provide you with the exact time or day preferred on your interest form. Please allow 7 business days for an Instructor to contact you. If there are no instructors available at your preferred time you will be notified, then placed on our waiting list. Forms will be processed based on the order they were submitted.

I have read and understand the information listed above regarding private and semi-private swimming lesson policies.
