## Recommended Best Practices

**Arrival to Complex**
- Athletes are strongly recommended to travel to the complex alone or with a member of their immediate household.
- Face coverings are strongly recommended for all entering or exiting the complex.

**Spectators**
- Strongly recommended to wear face coverings at all times.
- Hand washing or hand sanitizing, in the absence of soap and water, is recommended strongly before, during and after the games.
- Strongly recommended to bring your own chairs since bleachers will be limited for social distancing.
- Bring anti-viral wipes when using the restrooms or touching items.

**Athletes and Coaches**
- Hand washing or hand sanitizing, in the absence of soap and water, is recommended strongly before, during and after the games.
- Whenever possible, equipment and personal items should have proper separation and should not be shared. If equipment must be shared, proper sanitation should be administered between users.
- Coaches should ensure the players are adhering to social distancing in dugouts and other seating areas.
- Coaches and players are strongly recommended to wear face coverings while not actively participating on the field. Coaches are also encouraged to wear face covers at all times on and off the field.

**Leaving the Complex**
- Team meetings should occur virtually or by phone rather than team huddles.
- Team meals/snacks should only occur within the guidelines by the local Health Department and NOT inside the ball complex.

**Confirmed Cases**
- Work with your Health Department to identify people and to initiate appropriate care and contact tracing.
