

SPARC Club Crate:

MYSTERY MIX

Unique to Me

Explore all the clues that are special to you—fingerprints and DNA. Learn how to identify patterns and how to dust for prints. Discover DNA and make a colorful gene bracelet.

Investigate the Clues

Use forensic skills and tools to view different powders, inks, and solve clues. Hands-on science activities have you write invisible ink messages and explore chromatography.

Breaking the Code

Learn all the different types of codes used around the world. Create your own cipher and use your code breaking knowledge to open a lockbox with a special prize inside.

Solve the Mystery

Use all the investigative and hands-on skills you've learned to decipher the unique mystery of "Who Smashed the Cake?" Complete with instructions and video clues.

Each kit contains all lesson plans, instructions, and materials for budding sleuths and at home detective activities.

\$28/kit
